SPECIALISTS FOR OFFICE & COMMERCIAL SECTOR

RLE ENGINEERING &
SERVICES

Strong teams for strong partners.

With us you will find suitable specialists for the office and commercial sector

For almost 40 years, RLE Engineering & Services has been offering comprehensive recruitment and personnel placement services and placing highly qualified specialists with renowned employers.

We are part of the globally active RLE INTERNATIONAL Group, which is one of the leading development and consulting service providers for the mobility industry - with locations in Europe, North America and Asia. Through our many years of experience, we have gained valuable insights that we successfully transfer to the office and commercial sectors. In addition to our core competence in engineering, we have specialized in filling administrative and commercial positions.

The increasing variety of tasks, digital processes and interface work make it more important than ever to find the right fit in the commercial sector.

We support you with suitable specialists for the following roles, among others:

- Assistants (m/f/d) (team assistance, project assistance, management)
- Clerks in purchasing, sales, HR or administration (m/f/d)
- Commercial project staff (m/f/d)
- Office managers and receptionists (m/f/d)
- Bookkeepers and accounting specialists (m/f/d)
- HR clerks / payroll accounting (m/f/d)
- Internal sales / customer service / order processing (m/f/d)
- Team leaders (m/f/d) / coordinators in the commercial environment
- Specialists (m/f/d) for documentation, reporting & data maintenance

Advantages for your company:

- Relief for your specialist departments through tailored reinforcement
- Access to qualified specialists with commercial professional experience
- Reliable support during staff shortages and project phases
- Flexible solutions for long-term and short-term assignments
- Efficient selection processes through targeted pre-selection and personal support
